

Claudia Gardberg Morner, Deputy Auditor General at the Swedish National Audit Office

As the Deputy Auditor General, she is the deputy for the Auditor General and assists in the administrative management of the Swedish National Audit Office. As the Deputy Auditor General she may participate in the decisions to initiate audits and may also decide independently on audits in cases where there is a risk of conflict of interest.

Claudia Gardberg Morner holds a degree of Doctor in Philosophy in sociology. She has previously held the position of County Director at the Södermanland County Administrative Board. Prior to this, she served as Deputy Director General and Division Manager at the Swedish National Food Agency. Claudia Gardberg Morner has also held positions as division manager and head of unit at the Swedish Migration Agency and the Swedish Social Insurance Agency.
